

INTRODUCING... A NEW COOPERATIVE PROCUREMENT PARTNER

RFxPremier™ is a non-profit cooperative contracting organization focused on delivering innovative contract solutions across multiple industries nationwide.

Purchasing entities collaborating with us as a Lead Entity on a cooperative contract benefit from a **streamlined procurement processes that reduces administrative burden** in the solicitation and contracting processes. Working together will allow us to share knowledge, skillsets, and cooperative opportunities, while also **helping to promote excellence and advance the procurement profession.**

Discover the additional benefits of working with us as a Lead Entity:

STREAMLINED PURCHASING

- Under this model, the solicitation is posted on the Lead Entity's e-procurement system and the resulting contracts are held between the Lead Entity and supplier and made available to other organizations through RFxPremier.
- Buyers make purchases from the contract through a Purchase Order (PO), Participating Addendum (PA), or RFxPremier's eMarketplace.
- Our eMarketplace reduces the administrative burden for Lead Entities while simplifying the purchasing process and providing analytics on purchases spend.

PREMIER SUPPORT

MULTI-ENTITY SOURCING TEAM

- Lead Entities are supported by a sourcing team that includes stakeholders from multiple entities and states providing a national perspective.
- Sourcing team members share ownership of the project by attending regular meetings, identifying potential barriers in the solicitation and offering solutions, assisting in the solicitation development, reading proposals, and recommending awards.

HOLISTIC APPROACH

- RFxPremier's team of experts provide holistic support from concept through contract administration. Our team includes Cooperative Portfolio Managers who assist in conducting market research, preparing drafts, identifying sourcing team members, and scheduling and coordinating meetings and travel.
- Our Legal, IT, and Marketing teams are also part of our white-glove support, helping to expedite the go-to market solution and maximum efficiency for all parties in the procurement.

EASY-TO-USE TEMPLATES

- RFxPremier provides standardized templates with consistent, compliant terms and conditions that meet the requirements of Lead Entities.

- Standardization allows Lead Entities to review contracts quickly and easily ensuring they are compliant with code and rule. Purchasers nationwide can be confident they are utilizing a compliant purchasing vehicle.
- Using RFxPremier's contract templates makes it simple to find the most applicable solution available and obtain quotes easily if needed to support compliance.

VALUE

- RFxPremier compensates partners for their time and effort in leading a cooperative solicitation, serving on a sourcing team, and administering the contract.
- Lead Entities and sourcing teams also receive complimentary attendance at procurement conferences and other professional development opportunities.
- RFxPremier offers some of the lowest administrative fees for suppliers in the cooperative contracting market, capped at one percent. Our low fees are emblematic of our commitment to the profession, allowing us to partner with suppliers to offer the best quality goods and services at the best prices – a win for everyone.

INNOVATION & BEST PRACTICES

- RFxPremier collaborates with leading organizations such as the Procurement Innovation Lab (PIL) and NASPO's Accelerator Hub to drive forward-thinking procurement processes that benefit all players in the procurement process.
- RFxPremier integrates the latest technologies into procurement, offering end users innovative solutions that are quick and efficient, while ensuring compliance with procurement best practices.
